

# PROTECTING THE PLANET BEGINS AT HOME.

Your Lincoln Military housing neighbors are making simple changes that can have a big effect on protecting and preserving our planet. Here are a few ways each of us can make a difference right at home:

- Turn off the Water** While brushing your teeth or shaving.
- Recycle** Bottles, cans and newspapers.
- Share a Ride** Save gas and money by carpooling to work, find a partner at [www.erideshare.com](http://www.erideshare.com).
- Shop Green** Pick up your free reusable "green bag" at your Lincoln District Office.
- Report Leaks** Call *Lincoln at Your Service* at 1-888-578-4141 to report dripping faucets and toilets.
- Hit the Switch** Turn off the lights when you leave a room.
- Wash Full** Run the dishwasher and washing machine with full loads.
- Go Fluorescent** Call *Lincoln at Your Service* at 1-888-578-4141 to exchange old light bulbs for compact fluorescent bulbs.
- Turn it Down** Set the thermostat 2° higher in the summer and 2° lower in the winter.
- Dispose Safely** Check with the Lincoln District Office for the nearest disposal center for used motor oil, batteries and electronics.

*One person really can make a difference. For more information on living green, visit [www.lincolnmilitary.com/livegreen](http://www.lincolnmilitary.com/livegreen).*
